

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NANCY A. STADTLANDER	)	
	)	CASE NO.
VS.	)	2016-00187
	)	
KENERGY CORP.	)	

ORDER

This matter is before the Commission on Nancy A. Stadlander's ("Ms. Stadlander") motion to continue and motion for a hearing, which were filed on July 25, 2016. In the motion to continue, Ms. Stadlander requests that the Commission continue this matter for no less than 90 days. As a basis for the motion, Ms. Stadlander states that she is gathering evidence and investigating her case, which includes complex medical evidence. In the motion for hearing, Ms. Stadlander requests that the Commission schedule a formal hearing in this matter.

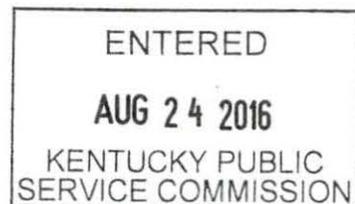

On May 10, 2016, Ms. Stadlander tendered a complaint that alleged violations of trespass, environmental, and nuisance laws arising from an AMI meter installed by Kenergy Corp. ("Kenergy"). By Order entered July 12, 2016, the Commission found that Ms. Stadlander had failed to establish a *prima facie* case in her complaint and provided her the opportunity to amend her complaint. On July 25, 2016, Ms. Stadlander tendered an amended complaint, along with the motion to continue and motion for a hearing.

Having reviewed the record and being sufficiently advised, the Commission finds that the motion to continue should be granted and this matter be held in abeyance for 90 days from the date of filing the motion to continue. The Commission further finds that Ms. Stadlander should have until October 24, 2016, to file additional written documents to support her complaint. After the 90 days have expired, the Commission will review the complaint as amended and any other documents Ms. Stadlander has filed by October 24, 2016, to determine whether a *prima facie* case has been established. The Commission will also consider the motion for hearing after the 90 days have lapsed.

IT IS THEREFORE ORDERED that:

1. Ms. Stadlander's motion to continue for 90 days is granted.
2. This case is held in abeyance until October 24, 2016.

By the Commission
